Wevelgem Zuid

River Terminal Wielsbeke

# operating system

## •Barge

- 1 x week: Antwerp – Alpro Wevelgem Zuid
- 2 x week: Antwerp – River Terminal Wielsbeke

## •Trimodal?

- Alternative for rail
- Flexibility of the barge
- All quays
- Multimodal
- Seine Nord Connection

# SWOT analyse

## Strenght :

- one hand shopping
- no weight limit
- one custom document
- one way loads
- ecological

## Weakness:

- mass loads
- only one reachstacker

## Opportunities :

- cost savings
- back up rail or truck
- no significant fuel fluctuations
- inland waterway is the future

## Treatment:

- Strikes
- Accidents on the waterways
